

# GRÜNER ANGELITER

Oliver Seeds

A very tall variety with good winter hardiness.

**Grüner Angeliter is proving to be a significant improvement in the game cover sector and has performed extremely well even in difficult growing conditions.**

## Ratings

### Cover Crop

It has a high leaf canopy and a thick strong stem with a branching, umbrella-shaped canopy giving plenty of space for the birds to move about underneath.

Seed Rate	Pack Size	Seed Treatment
3 - 7.5kg/ha	1kg	Untreated
